#### Personal Information

My experience and knowledge make me a valuable resource. I have been associated with the AIG Retirement Services companies since 2021.

In my early twenties I witnessed firsthand how a lack of planning can impact a family and bring everyday life to a screeching halt. The experience developed into a passion to help people protect their todays and invest in their tomorrows.

When I am not serving my community, I can be found spending time with family and friends, relaxing by the lake or exploring the country in her RV with my husband, son, and four-legged children.
